## PERSONAL STATEMENT

As a dedicated software engineering student and CMS developer, I am passionate about creating innovative digital solutions that enhance user experiences. I aspire to further refine my skills and knowledge by pursuing advanced studies in Italy, where I can contribute meaningfully to cutting-edge projects and collaborations. With a strong commitment to learning, problem-solving, and innovation, I am confident in my ability to be a valuable asset, delivering impactful results and advancing the field of technology.

## WORK EXPERIENCE

**Web Developer (WordPress, WIX, Squarespace)** Jan 2023 - Present

- Expanded expertise to additional CMS platforms such as WIX and Squarespace, handling client projects from design to implementation.
- Continued to develop and maintain websites across multiple CMS platforms, providing full-stack solutions to diverse client requirements.

**WordPress Developer, Freelance (Fiverr, Upwork)** March 2021 - Nov 2023

- Developed and customized WordPress websites for various clients, completing over 20 projects for businesses through platforms like Fiverr and Upwork.
- Worked closely with Rook and Company, led by Simeon Salia in the United States, designing and delivering high-quality WordPress sites for their clients.
- Created user-friendly and responsive websites, tailored to meet clients' unique specifications and business needs.

**Data Entry Specialist, Reliable Certification UK (Remote)** May 2020 - Dec 2020  
(Part-time)

- Uploaded customer certificates into the company's system and maintained an organized record.
- Managed and updated Excel sheets to track customer certifications, ensuring accuracy and data integrity.
